Income Tax and Social Insurance Contributions Credit Declaration

Would you like Radboud University to take income tax and social insurance contributions credit into account? You may only have one employer or benefits agency apply this credit. If you work while receiving social assistance benefit, you must fill in "yes" here. See explanatory note below.

date

Explanatory note:

Each employee and benefit recipient is entitled to a tax credit, the so-called income tax and social insurance contributions credit. Your employer/benefits agency automatically calculates the credit applicable to you. You only get this credit from one employer or benefits agency. Please indicate whether you want this employer or benefits agency to apply this credit. For more information, please contact the Tax and Customs Administration, tel. 0800-0543 or www.belastingdienst.nl.
